MC SCRIPT FOR SPECTRUM INAUGURATION

Person 1 Very happy morning to one and all present here!

To begin with, I'd like to quote Mr Tao. "The journey is the reward."

Having said the above inspiring quote, I welcome you all to this marvellous journey of Spectrum, where the reward lies more in indulging in the ethos of events while truly gaining wisdom than just winning.

Person 2: That was indeed stirring Rtr Trisha, Now I request everyone to turn off their cameras and pay respect to our Tamil Thai Vazhthu

Tamil Thai Vazhthu plays

Person 1: Spectrum, a colossal virtual series of online events that is right in front of you is our most awaited spectacle of 2021. We bring to you our biggest culturals yet with 17 epic events categorized as flagged, non-technical and gaming events open for all ages. Exciting prizes are up for grabs for the deserved. So everyone! Stay on the edge of your seats because you are in for an exhilarating ride.

Person 2: Okay wow! That is so exciting to hear Rtr.Trisha Just listening to how amazing Spectrum is going to be is jaw-dropping, I wonder how mind-blowing it would be if everyone saw the trailer itself?

Person 1: They will absolutely love it!

Person 2: Alright! Let's show it!

Trailer Video

Person 2: Rtr.Trisha.... Are you alright? Why aren't you talking?

Person 1: Ah sorry, I was completely speechless to articulate the excitement the video hints us. I can't wait to get it started. I bet everyone feels the same too

Person 2: Yes! Totally. But before that, I request the Pillar of Spectrum, Rtr.Nishok Kathiraven, to come forward and give a word to the audience.

Chairperson Speech

Person 1: Thank you, Rtr. Nishok Kathiraven, for steering Spectrum in the right direction and for the cheers to all the participants.

Person 2: I would now like to introduce the Chief guest for the ceremony.

"An actor is at most a poet and at least an entertainer", our chief guest of the day is a perfect example of the above words. Ken Karunas is a phenomenal actor who mainly works in the Tamil film industry. He started his acting career as a child actor with his debut in the Tamil movie Ragalaipuram. He then appeared in the movie Nedunchalai in 2014 as a hotel assistant. Following the success of the movie, in 2016, he appeared in the movie Azhagu Kutty Chellam. Following this, Ken bagged his huge break in 2019, alongside Dhanush K Raja, in the national award-winning action thriller, Asuran, for which he has won a plethora of awards, for the best supporting actor for exceptional performance. It is indeed an honor to have you with us today

Person 1: I now request our Chief Guest, Mr. Ken Karunas to address the gathering with his enlightening words.

Chief Guest speaks

Person 2: We are highly obliged to receive such Joyous words, thank you, sir.

Person 2: I now request Rtr. Sai Charitha, President 21-22 of Rotaract club of SRM Vadapalani, to collar herself and call to the event to order.

Call to Order

Person 1: Thank you Ken Karunas sir for gracing the ceremony with your valuable presence and thank you all for joining us. I hope you guys really have fun participating in all the fun filled events we have set up for you and make this the best weekend you've ever had.

Thank you one all this is *Person 1 and Person 2 names* signing off! We wish all the participants good luck! Have a great day ahead all!

MC SCRIPT FOR SPECTRUM VALEDICTORY

Person 1: A very good evening to one and all present here! Me, Rtr.Trisha and Rtr.Akshaya are your MC's for today. I would like to start off by quoting Confucius, "They must often change, who would be constant in happiness or wisdom.". Having said that, I hope you all had lots of fun and bundles of memories made in these two days of Spectrum.

Person 2: I'm pretty sure they had a lot of fun. I can literally see their faces glow from happiness. Just as how special this event was for you guys, it was as important and special for us too and we are really really thankful for you all to take part in this event and making this event this vibrant. I would also like to take a moment to thank our Title sponsor, Town news, Food partner Tik Talk cafe and Fitness partner, Elite Fitness. Thank you for your support.

Person 1: Rightly said Rtr.Akshaya. I would now request the chairperson, the backbone of this event, Rtr. Nishok Kathiraven to say a few words.

speech is given

Person 1: Thank you Rtr.Nishok kathiraven for your heartfelt speech.

Person 1: An event is incomplete without the efforts of our talented participants, it is now time to announce the winners of these amazing events.

Person 2: Indeed! I would now request the supporting pillars of Spectrum 2k21 Rtr.Chetana followed by Rtr.Preethi, to announce the winners of the events of Spectrum 2k21.

Awards Distribution

Person 1: I attended all the events and I just have to say that, everyone did an amazing job. There was indeed a large amount of talent present in all the events and I'm pretty sure the judges had a really tough time deciding the winners.

Person 2: That's absolutely right! We are really thankful for every person who had even the smallest hand in this event and for that, I now call upon Rtr. Sharath Parasuraam to give out the vote of thanks.

Vote of thanks

Person 1:Thank you for giving it out so elegantly. It's the blood, sweat, and tears of all the BOD members and the fellow green rotaractors who made this event a masterpiece.

Person 2: "Positive thinking is about expecting the best to happen every time but accepting that whatever happens is the best for this moment." With this quote in mind, I request Rtr. Sai Charitha to adjourn the event.

Event is adjourned

I now request you all to maintain silence and turn off your videos and pay tribute to the National Anthem.

National Anthem

Person 1: Now that we're nearing the end of the valedictory function, I really hope you all had a lot of fun these last 2 days.

Person 2: Indeed. Now it's time for us to part ways, but keep your fire alive. This is me *name* and *person 1 name* signing off! Hope you all have a great week ahead! See you all next time~

Spectrum 2K21 ADMINISTRATION TEAM REPORT

Team members:

1. Rtr.Chetana
2. Rtr.Adnan
3. Rtr.Rakshita
4. Rtr.Madhav Shah
5. Rtr. Mathura

The admin team started its work on 13th September 2021 by creating a budget for Spectrum 2k21. Inorder to do this, we first fixed the entry fee for all the 17 events. Then identified the expenses, which were printing the brochure, Prize money for the winners and runners and Chief guest. A worst and best case scenario was calculated with a target of 170 registrations. The revenue and profit prediction was calculated. This helped us set the goal for Spectrum 2k21 and gave an estimated amount to pitch to the sponsors. The budget was submitted on 14th September 2021. Following this on 15th Spetember, we discussed the reach of a valuable media partner. The budget was then finalized. A sponsorship of Rs.3000 from Elite fitness, Rs. 3000 from TikTalk cafe and Rs. 400 from Rtr.Dev was accomplished by Rtr.Nishok and sponsorship team, giving a total of Rs. 6,400 through Sponsorship.

The next task was choosing the Money Berarer for the event. After a brief and short meeting, Rtr.Rakshita was chosen to be the Bearer. Next in order to make it easier for the participants to pay, it was decided that a UPI ID and QR Code was to be created on Phone pay. The payment details were then sent to the Registration team to be added to the Registration forms. Unique IDs were created for each event which helped us keep track and identify the participant easily.

The next task was to keep track of the payments coming in and confirming the registered participants and allocating the unique IDs. To do this the Admin team and registration team worked hand in hand. A excel sheet was created with the participant ID, Name, Date and time of payment and the Payment proof (Payment screenshot). The sheet was updated as and when the registrations happened. This helped us find missing payments and helped verify the participants. This started on 29th Spetember 2021 and went on till 17th October, last day of the event.

Then, the team had to decide Prize money structure for the winners and runners, keeping in mind the required profit and the justice to be done to the participants, the winner was given Rs. 300, Runner Rs. 150, Final Showdown winner Rs.1000 and Gaming Winners Rs.700 per team. This gave us an expense of Rs. 8950 for prize money, Rs. 200 for the topper of the PRO team and Rs.369 for the Brochure. Then finally the Budget report was made with all the details of sponsorship, Registration and prize money summary, amount earned form registaions, Total Income, total expenditure and Final Profit calculation.
